Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Wednesday 08 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Thursday brings showers, some heavy with thunderstorms.

This Evening and Tonight:
Mainly dry with clear spells, some mist and fog patches overnight, particularly around the coast. However, showers are possible around the west coast and across the Northern and Western Isles.

Thursday:
Bright spells and occasional showers. Outbreaks initially focused in the far north and west, but becoming more widespread and heavy from the south through the day, with some thunderstorms developing.

Outlook for Friday to Sunday:
Showers or longer outbreaks of rain on Friday, perhaps heavy and thundery. Rain in the north on Saturday, drier and brighter in the south. Mainly dry and bright Sunday.
